Principal's Message

It has been a tremendous start-up at Bayview this year!

Thank you to all the staff, students, and especially parents for helping get the community back into the routines of school.

There have been some nice additions to our school this year, with one important change being the increase in our classrooms from seven divisions to eleven divisions. With this growth, we have smaller class sizes and a powerful ability to work in creative ways to support the learning of all students.

I am also thrilled to see how quickly our new families are integrating into the community. We even have some of our new parents stepping into PAC roles and other volunteer opportunities.

At our morning gatherings each Friday, we talk about paddling together as a community in the snuwulh (canoe); I am proud to say that with all of our paddles in the water we are moving in a good direction.

Have a wonderful October!

Mr. Kevin Brand, Principal

EARLY DISMISSAL Oct. 16-19

To accommodate Parent Conferences,

Bayview will dismiss at 1:22pm

for 4 days:

Monday October 16-

Thursday October 19

HALLOWEEN COSTUME REMINDERS

We plan to have a Halloween parade in the gym after long recess (around 12:30 ish) on October 31st.

If you decide to send your child to school in a costume please be mindful students do need to go to the washroom and this needs to be independent, so ensure your child is able to do that (it is the younger ones that have more trouble with this).

Costumes should not have masks or any imitation weapons (ie swords, guns, etc...). We need to be able to see your child's face at school.

Costumes should not have excessive gore or blood...please be mindful some of our students are as young as 4 years old

This is one of those things that we ask for parents and students to use good judgment and to pick costumes that respect the viewer and the wearer.

CLIPPERS CHEER-OFF

The Clippers cheer off is set for Saturday October 21, 6pm at Frank Crane Arena.

Come cheer on the Clippers and during stoppages in play, cheer vs another elementary school.

Tickets are only \$2 per person available at the front office.

All proceeds will go to our Bayview PAC.

ROOTS OF EMPATHY PROGRAM

This year, Ms. Lauren's Kindergarten class will be participating in the Roots of Empathy program. This program builds empathy in children as it allows the class to "adopt" a baby for the school year and learn about the baby's growth and development. With the Roots of Empathy Instructor, Kirstin Funke-Robinson, who is our school psychologist, the students will have a lesson each week to learn about important topics such as safety, emotions, and communicating. Once every 3 weeks, a baby named Ty and his mom will join the Kindergarten class. The students will measure, weigh, and observe the many developmental milestones that Ty will achieve, such as reaching for a toy, rolling over, sitting up, and perhaps crawling. The students will be learning about human development in a very concrete way as it unfolds in front of them and as they share observations of "their baby" at play. Connections will be made with the students between caring for infants and caring for one another. As the year progresses, please feel free to check-out our Roots of Empathy bulletin board in the hallway outside of the Kindergarten classroom to see what we've learned most recently about our baby Ty. A special bonus this year is that our Roots of Empathy parent is Dr. Browning, one of our very own Bayview teachers!

SCHOOL VISITATION PROTOCOL

In keeping with our District's Health and Safety policies and good practice, we ask that all visitors check in with the office. If you are volunteering in a classroom or in any other area of our school, or are dropping off something for a student, we ask that you sign in at the office and pick up an 'Authorized Visitor' badge. This also helps us to know who is in our building in the event of an emergency.

PARKING SAFETY REMINDERS

Here are some important safety reminders:

Slow down and take your time.

Only park in designated areas. Do not stop in the middle of the road or pull up onto the curbs or park along the side with the 'no stopping' signs.

Cross at appropriate spots

Use the sidewalks and crosswalks

Do not walk along behind where the cars are parked

If your child/ren exit out the back of the school, arrange to meet them along Princess Street behind the school as there is lots of parking available.

Thank you for taking an extra couple of minutes to follow these safety rules. We don't want anyone getting injured.

Bayview's Leadership students will be attending WE Day at Rogers Arena in Vancouver Oct 18th. Permission forms will be going home with those students soon.
