Principal's Message

It is hard to believe that we're already a month into 2019! It has been a fabulous return to our learning routines in January and we look forward to an amazing February.

As we continue "paddling together" this school year, one of our goals is to continue our close connections with families; as such, you may get an invite to a luncheon in your child's class during the coming weeks or months. I would like you to prioritize attending these gatherings, since it will be a great opportunity for your child to shine and share their school with you.

Additionally, I want you to know about some special work coming up with our VIU practicum nursing partners—they will be teaching students about a variety of subjects, including personal hygiene and wellness. You may get a phone call for your child to attend our special "Hair Salon" where we will educate and treat head lice.

As you receive your child's progress report in February, please take time to read it carefully and share important points with your child—if you have any questions or concerns, never hesitate to contact your child's teacher.

PARKING REMINDER

The community is reminded that parking (or stopping) is not permitted on the far side of View Street. We have been asked by neighbours to remind parents of this. Please respect our neighbourhood and either pull into a parking space or meet your child at another location. Remember, Princess Street (behind the school) is a great place to park and meet your child!
