## Principal's Message

February has absolutely flown by!

I want to express my appreciation for all families that were impacted by school closures and our snow days. It is never an easy decision to close a school, but we appreciate how all of the families kept their children safe at home.

With February gone and Spring Break right around the corner, we have been packing a lot of learning and extracurricular activities into the few days we've got. Basketball season is in full swing and we continue to do intramurals, leadership club, drumming and games at lunch recess. We recognize that when children connect and belong their learning grows too!

Although it is late notice, I encourage all families to come to our March 13 Sharing our Learning event. This will be an opportunity for your child to share their classroom with you and show you their work.

Have a magnificent March!

Mr. Kevin Brand, Principal

## PARKING REMINDER

The community is reminded that parking (or stopping) is not permitted on the far side of View Street. We have been asked by neighbours to remind parents of this. Please respect our neighbourhood and either pull into a parking space or meet your child at another location. Remember, Princess Street (behind the school) is a great place to park and meet your child!
