Principal's Message

Happy New Year! While many of us see January as a time of *new* commitments, *new* plans, and fresh starts, through the lens of a school, January has an entirely different feel. Students and staff return from a (hopefully restful) break to resume the deep learning that we've invested in since September. In Winter we feel like reading, discussing and learning together, and we have established the relationships that support this. Truly, January is a great time for learning!

In February families will receive the first formal progress report for the year—this is a great time to review your child's learning goals and continue monitoring their individual growth. Learning happens best when expectations are clear and the feedback is ongoing. If you see any ways in which we can further support your child's learning, we want to hear from you now. If you have concerns about your child's learning, please do not wait for the report—speak with your child's teacher.

Ms. Stephanie Stephens, Principal
