Principal's Message

It is hard to believe that we're already a month into 2023! It has been a fabulous return to our learning routines in January and we look forward to an amazing February.

As we continue "paddling together" this school year, we will continue practicing healthy habits and keeping our school safe and clean.

Additionally, I want you to know about some special work coming up with our VIU practicum nursing partners—they will be teaching students about a variety of subjects, including personal hygiene and wellness.

As you receive your child's progress report in February, please take the time to read it carefully, share important points with your child and celebrate their learning—if you have any questions or concerns, please do not hesitate to contact your child's teacher. Please notify the school if you do not receive your child's report card.

Ms. Stephanie Stephens, Principal

PROGRESS REPORTS

We want to remind parents and students that our Progress Reports are a snapshot of their learning and an opportunity to celebrate their growth so far this school year. Watch for the Progress Reports to come home, via email, on **February 10th**.
